What is the Clemmons FOOD PANTRY?

The Clemmons FOOD PANTRY is a local non-profit organization providing supplemental groceries to residents in need throughout Forsyth County.

Did you know that almost 17% of Forsyth County residents are food insecure, and 1 in 4 children don't know when or where they will get their next meal?

The Clemmons Food Pantry's mission is to provide more people, more often, with more food. In 2016, they provided over 300,000 pounds of food to Forsyth county families.

Please help feed the hungry in our community by donating non-perishable food items to your neighborhood food drive. Please consider adding a monetary donation. Because the pantry can purchase food at a greatly reduced rate, your dollars can go even further.

HELPING IS EASY!!
